Dear Sirs:

It was published in the Official Diary of the State of São Paulo, from January 9, 2016, the Decree n° 61.788, of 8 January 2016, which amended the Decree n° 61.625/2015 to extend the deadline for joining the Special Program for Installment (PEP) of ICMS credits, until 29 February 2016.

The amendment is merely an extension of the deadline for membership adhesion described in the caput of Article 4 of Decree n° 61.625/2015, keeping the remaining provisions.

We remind that through the Special Program of Subdivision (PEP ICMS), may be paid in installments, with reduction of fines and interest, debits related to ICMS, arising from events that occurred up to December 31, 2014, expired or not, enrolled or not in active debt, including those filed under the terms and conditions set out in the Decree.

We remain at your disposal for any further clarifications.
